

The 2023 third-quarter issue of *UV+EB Technology* will include the only Buyers Guide of its kind for products and services offered to those companies involved with ultraviolet and electron beam curing technologies. This guide will reach more than 11,500 readers through its print and digital distribution. It will be an easy-to-access resource throughout the year. Basic listings are FREE for current RadTech International North America members and Issue 3 2023 print advertisers; and only \$100 for nonmembers. Boxed advertisements for specific Product/Service sections and enhanced listings also are available. Simply fill out this form and email, fax or mail it to our Peterson Media Group offices. Paid listings can be paid for by credit card, or a check can be sent with forms that are mailed. Make all checks out to: Peterson Media Group, 2150 SW Westport Dr., Suite 101, Topeka, KS 66614.
